When to Choose Audiowala Bus Stand?

- Product Launch Campaign
- Brand Awareness Campaign
- Demand Generation Campaign
- Announcing Special Offers & Discounts
- Festival-Oriented Messaging
- Community Betterment Messaging
- Education

How your Brand Messaging is done?

A Creative Jingle for your brand is created by our team of creative thinkers, who understand your industry as well as the rural nuances of India. Your Brand Ad is played on the Passenger Information System amidst the arrival and departure bus announcements.

Why to Choose Audiowala Bus Stand?

- Provides you a Brand Reach of 2 Cr People Per Day
- Most Affordable Mass Medium at Transit Places. Only Paise Per Person!
- Guarantees 100% Engagement Rate
- Advertise in the Regional Language & Dialect and Establish a Connect with the Rural Audience
- Centrally Controlled & Monitored Platform for Mass Advertising
- No Manual Tampering to the Ad is Possible
- Expose your Brand to a Floating Population

BUT, HOW DO YOU MEASURE THE IMPACT OF YOUR AUDIO CAMPAIGN?

What is GeoReach?

Your Audio Ad is coupled with Online Ads that the visitor/traveller on the bus stand is able to see on his mobile.

**Now, Target your Audience from all sides!
 Leave no stones unturned...**
